Each year the Committee designates a number of non-sponsored friendly meetings which are identified by an asterisk (*) in the calendar.
This event runs from April to October and there are three playing categories:

Cat I: 0 - 16.4;
Cat II: 16.5 - 24.4
Cat III: 24.5 - 36.

At the end of the season, prizes are awarded in each category based on the **best five scores**, irrespective of the category in which they are played. A player's final ranking will be in the category in which they played the majority of their five best rounds. In the event of a tie in points, the lower handicap prevails. If by chance there is also a tie in handicap, the highest number of Asterisk (*) tournaments played during the year prevails. If by chance, the tie persists, a draw will determine the ranking. The final classification is established the day after the last friendly meeting with the points and handicap of that day.

The number of prizes depends on the number of players:

From 1 to 7 players = 1 prize
From 8 to 14 players = 2 prizes
From 15 players = 3 prizes

This is valid in each category
